RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

This is a response to the notice of non-compliant amendment dated March 3, 2008 which embodies a full copy of the corrected response, correcting a response originally filed more than one year ago for an office action dated 12/21/2006. The error in the original response was an inadvertent failure to properly identify the status of claim 47. Applicant supplied replacement pages for the originally filed amendment, which has apparently been deemed, more than one year later, to be an insufficient response. The undersigned trusts that this response fully resolves this minor informality and that

substantive examination can now proceed without undue delay.

The undersigned invites the Examiner to contact him if he can be of any assistance in expediting the prosecution of this application. The undersigned can be contacted at the telephone number below.

Respectfully submitted,

/Jerry A. Miller 30779/
